VBOZ™ providing you with the widest range of Equipment Server Rack Cabinets.

While some brands boast about quality and others talk about price, the **VBOZ**™ product line has upheld a reputation for excellence and superior performance for the Equipment Server Rack Cabinets.

With the **VBOZ**™ brand, you can address all your major concerns:

- Quality,
- Price,
- Availability,
- Ease of doing business
- Depth of line with our abundant variety of Equipment Server Rack Cabinets.

Search no further!! You have found it!! Here we are confident you will be able to find your solution to your racking problems.

The N-Series Rack provides simple, low cost mounting means for rack-mount equipment in IT environments. Ideal for rack-mount servers, networking, and telecom equipment where security at the individual rack level is not required, The N-Series provide unobstructed airflow and fast, easy access to installed equipment thanks to the non-existence of doors and side panels.

Front
